

Broadening representation in the field of AI –
Ensuring that we are full partners in affirming
our technological and economic futures

CERTIFICATE

OF COMPLETION

PROUDLY PRESENTED TO

Christina Solomon Hailu

In recognition of successful completion of the
Emerging Leaders in AI (ELAI) Grad Prep Program – 2024/25.

This rigorous six-month program equips aspiring leaders with the knowledge, skills, and
mentorship to thrive in the competitive graduate school admissions process for
AI-related disciplines.

A handwritten signature in black ink, appearing to read "Gelyn Watkins", is positioned above a thin horizontal gold line.
